Peace Work

Q3 Main audience(s) for the Adaptation/Variation

So far for me, "peers"; people diagnosed with a psychiatric or substance use challenge who have "traveled up the road apiece" and assist others with same.

Q4 Overview (an agenda or other brief description) of the Adaptation/Variation

The vision involves handing Peace Work off so others can do it in whatever configurations, for whatever groups, numbers, etc., they might. Already I do it for range of groups, all size groups for varying lengths of time.
